

USTelecom: Working for Your Business, Your Customers, and Your Community

USTelecom President and CEO
Jonathan Spalter in Montana with
Blackfoot Telecommunications Group
CEO Jason Williams

DEFINING ADVOCACY 2.0

Advancing Your Interests

- Fighting for your business at the White House, Congress, FCC and beyond
- Raising visibility and impact for our members where it counts most
- Building bridges to key policymakers and thought leaders

LEVERAGING BUSINESS OPPORTUNITIES

Lowering Your Costs

- Producing educational opportunities and tools to help you invest in your business with confidence and clarity
- Sharing insight into industry-wide best practices and technologies to help support your business

EXPANDING YOUR NETWORK

Growing Your Company

- Connecting companies of all sizes to explore new business and technology opportunities
- Convening events for you and your team to learn from and network with peers
