TIPS FOR BLOCKING ROBOCALLS

Robocall **DO'S**

- DO** contact your voice provider to inquire about available tools
- DO** register with the FTC's Do-Not-Call list and file complaints
- DO** educate yourself about available tools
- DO** check out the FCC's website that lists robocall blocking tools (click the "Call Blocking Resources" tab)
- DO** educate yourself about common scams, like the 'Grandparent Scam', 'Jamaican Lottery Scam' and the 'IRS Collection Scam'

Robocall **DONT'S**

- DON'T** answer calls with an unfamiliar caller ID
- DON'T** press 1 or 2 to get removed from their list (it won't work)
- DON'T** engage with the robocaller making the call
- DON'T** give personal information
- DON'T** ever give the robocaller your financial information
- DON'T** ever pay for anything over the phone with things like gift cards or iTunes cards
