TIPS FOR BLOCKING ROBOCALLS

Robocall **DO'S**

DO contact your voice provider to inquire about available tools

DO register with the FTC's Do-Not-Call list and file complaints

DO educate yourself about available tools

DO check out the FCC's website that lists robocall blocking tools (click the "Call Blocking Resources" tab)

DO educate yourself about common scams, like the 'Grandparent Scam', 'Jamaican Lottery Scam' and the 'IRS Collection Scam'

Robocall **DONT'S**

DON'T answer calls with an unfamiliar caller ID

DON'T press 1 or 2 to get removed from their list (it won't work)

DON'T engage with the robocaller making the call

DON'T give personal information

DON'T ever give the robocaller your financial information

DON'T ever pay for anything over the phone with things like gift cards or iTunes cards
